

Job Posting

Student Assistant (10 hours / week) for the project „Learning beyond the classroom: Coping with illiteracy in urban literate environments in Bolivia and Benin“

We are in search of a student assistant for our research project „Learning beyond the classroom: Coping with illiteracy in urban literate environments in Bolivia and Benin“ in the context of the „Africa Multiple Cluster of Excellence“.

Start of work as of now

The job includes extensive literature research, the preparation and maintenance of a homepage and the transcription of interviews amongst others. Applicants should

- be experienced in the transcription of interviews,
- have knowledge in the range of qualitative methods and
- be interested in research on il-/literacy.

We are looking forward to applicants who have already dealt with questions of education in transcultural contexts.

Students who are interested in this job posting can send their applications per **E-Mail** as of now (cover letter and CV, everything in one pdf-document). Please direct your application to **Prof. Alber and Prof. Kölbl** via the following address: **Psychologie@uni-bayreuth.de**.
